

Candidate Profile

My name is Conor Woolley and I am in my fourth year in the Faculty of Education. I am asking for your support in the upcoming URSU Election for the position of VP External Affairs. I have been on the Education Students Society for the past two years and I am currently the VP of Social. In the last year I have become both a Director on the URSU Board and have joined the URSU Social Committee. In addition, I have worked very closely with both the current VP External Affairs as well as the Welcome Week Coordinator. From them, I have learned a great deal about what is required in order to execute a successful Welcome Week as well as many other events for students.

All of these experiences have ignited my passion for our University and my desire to make it a better place for all students. My objectives are:

- A More Inclusive Welcome Week
 - Bigger and better events
 - More events for more students
- Increased Funding for Students
 - Allowing more students to take advantage of their student fees
- Fiscal Responsibility
 - Ensuring that we remain fiscally responsible
- More than the Owl
 - Fostering relationships with all Societies and Clubs
 - Funding for all students and groups on campus

I have so much more to say than can fit on one page, so please find me on Facebook to find out more. Thank you for considering me for the position of VP External Affairs.
