

My name is Anthony Gibson and I am running for the position of Vice President External Affairs. Having moved to Regina to pursue my degree in Education, I have grown to love the city and the university. Working at The Owl has given me the opportunity to engage with students and make some long last memories. Having surrounded myself with all the amazing students here on campus the past two years, I believe I am able to represent the needs and wants of the student body. I want to make the U of R the best campus in Regina. I want to put forward an initiative on mental health and promote inclusivity. The U of R is a university that is on the grow and we need to ensure that we are moving forward, taking strides to become a better institution. Teamwork truly makes the dream work, and I hope to establish a relationship with fellow executives and the rest of the student body to make our university dream work. As a firm believer in the power of positivity, I believe the upcoming year is full of opportunities for growth, change, and learning.
