

Hello! I'm Emily Nemeth and I'm a fourth year student, double majoring in Linguistics and Anthropology. I currently sit on the UR Pride Board of Directors as the Faculty of Arts Director and I love being actively involved in trying to make our school and our city a better and safer place for the LGBTQ community. As a member of the community, I feel that it is important that we have our voices heard on every level and everywhere possible, this is why I have decided to run for the LGBTQ Student position.

As your representative, I will make it my priority to listen to any questions or concerns that you may have and make sure that your thoughts and opinions are understood. My ultimate aim is to effectively represent the LGBTQ community in a way that is not only positive but also upholds the values held by the students of the university.
