

Hello, my name is Manvinderjit Singh. I am willing to proudly stand as the Vice President of Operations and Finance because I want to continue to learn and grow professionally which will offer a variety of challenges and responsibilities where my abilities and skills can be fully utilized. I study Bachelor of Arts at the University of Regina and am pursuing my ambition to become successful in life one day. Since I am an international student from India, I am able to understand the struggles that most students go through and am willing to help with such problems. I have a down to earth personality which will be reflected in my position. Some of my strong qualities include being able to multitask, an independent thinker and a self-motivated. I have strong interpersonal skills resulting in exceptional rapport with people. I am also able to adapt effectively to challenging and emergency situations. I am a team player which will be shown by my ability to carry out events within lots of enjoyment but also within the URSU budget. I will try to solve the problems of not just international student but all student who attend the UofR. I will not be making fake promises because this is not a game of politics and it for the benefits of the student of this university. Thank you very much.
