

Hi, my name is Timothy Merasty and I am running for the First Nations University of Canada student representative. I am currently taking a two year Bachelors of Indigenous Education through First Nations University. I received my first degree, a Bachelors of Fine Arts, from the University of Regina in 2017. Hence, I am a dedicated person who strives to be successful in life. I would like to bridge the gap between First Nations University and the University of Regina. The student relationships between both schools is something I would like to work on by having events that include all students. I think since I've attended both Universities I have a certain point of view that will help. Thank you for your time and consideration.

Sincerely,

Timothy Merasty
