

To my fellow Students,

My name is Rylan Jensen. I am a fourth-year B.Ed./ B.Kin. student running as your Education Director candidate and to be re-elected to my position on the Senate. I was the Education Director in 2017/2018, and from 2016-2018 I was also on the Education Students' Society. During which, I served as an Executive on the society, after contributing a year as the Social Representative. I sat on the Council Committee for Student Appeals, Disciplinary Committee, and the Senate. I represented university students dealing with appeals, alleged misconducts, and have been your voice at the highest academic committee within the university. It is with all this experience that I will provide leadership not only to fellow students, but to the Board of Directors, and the Executives. If elected to the Senate and the Board of Directors, I will advocate for increased support for students through services focusing on well-being and financial aid. Additionally, I will seek collaboration with Dr. Jerome Cranston, the Dean of Education, to reduce the financial burden on interning students. I will continue educating students about what the Students' Union and the University of Regina offers for students who invest their money on this institution. Throughout my career in student politics, I have always acted in the best interest of students and I promise, if elected, to continue representing students and to be someone that students can turn to for advice.

Your candidate for Education Director and Senate,

Rylan Jensen
