

Karlene Pruden

Constituency Director – Indigenous Students.

Aniin, Tansi, Hello,

My name is Karlene Pruden, I am in my first year of Indigenous Education at First Nations University. My hobbies are reading, playing basketball, listening to music and my favorite show is Greys Anatomy. I enjoy dogs, my favorite breed of dogs are pugs and dobermans. I am running for Constituency Director for Indigenous Students and I look forward to the great opportunities I will have and the people who I will work alongside with. The goal I have while in position is to have more Indigenous student involvement and visibility within the campus.

Meegwitch and thank you for your time and I look forward to representing the Indigenous Student Body within the University of Regina.

Karlene Pruden.
