

Hi, my name is Stephanie Dyck and I am a third-year Human Justice student. I am a hard worker and am very passionate about learning and my degree. Because of my experiences within my degree, I am confident that I will be a good candidate for University Council as it has taught me how to use my voice to help those who may not feel as if though they have one. Though I am concerned with all students at the University of Regina, it is especially important for me to represent the Faculty of Arts and to be one of their voices within the student union. With this position, I hope to bring my drive for social justice and to ensure that everyone has the same valuable experiences and opportunities that I have been fortunate enough to have. I look forward to be a part of the University of Regina Student Union representing the Faculty of Arts on the University council.
