

CANDIDATE FORUM

Hello everyone, I **Birpartap Singh**, running for the position of **Vice-President Operation & Finance** and currently on the position of Director in the board' 2022.

This is my Fourth semester in the University of Regina. You can find me in Library or Riddell center for most of the time in assisting students. I love to have open discussions on current world scenarios and problems which student face world-wide. I believe while working together, we can bring better changes to our University.

The experience which I gained from taking finance and human resource classes in the University, prior experience in the students' Union, and listening to the problems of the students gave me enthusiasm to run for Vice -President position and to work for the students.

Hope that once again you will give me chance to serve our University and will help me to win for the position of the **Vice-President Operation & Finance**.

Save the date for voting **13 & 14 March, 2023**

Thank you to all.

Kind regards,
Birpartap Singh
