

URSU Elections

March 13th & 14th

Heyyy,

I'm Danish a Canadian 22-year-old, passionate Industrial-Systems-Engineering student and I'm running for URSU President 2023-2024. Some of you may know me as the friendly customer service representative at the URSU front desk (2021 to 2022). Or as the Campus Life Coordinator at URSU (2022-2023), who used to spend countless hours trying to help students.

Wherever you may know me from, you know I'm true to my word and fight for what's right. After being a student for 4 years and working at URSU for 2 years, I'm not happy with the way URSU is operated. If you get pride from ruling over broke students, YOU HAVE NO RIGHT TO BE IN CHARGE. Now that I comprehend the internal workings of URSU, I'm running to change the wrongs and give it all back to the students! I'm running for President, I'm running for you, I'm running to make the changes we all deserve.

Without going on a rant, here are a few things I plan to change:

- Advocate for a reduction or opt-out of any student fee possible
- Allocate more PEC and PAC funding to students
- Fight our health plan and bus pass providers for a better deal
- Don't even get me started about CFS. Students want that money back!
- Give the OWL to passionate students who can actually run a restaurant!
- Last but not least, start a FREE food service for students!

Let's bring inevitable change, now, and together. Change starts with YOU!

Sincerely,
Danish Hasan
