

Name: Aum Patel

Studying: BSc. In Computer Science

Candidate: Director Of People with disabilities

Introduction:

Greetings, University of Regina students! I am Aum Patel, vying for the role of Director of People with Disabilities. With a background in Computer Science, I am known as Mr_Aum on YouTube and Instagram. Through informative content, I assist future international students in understanding life in Canada.

Vision and Goals: If elected, my focus will be on advocating for students with disabilities to ensure their equitable access to resources and opportunities. My objectives include organizing awareness campaigns, enhancing support services, conducting accessibility audits, promoting student engagement, and fostering collaborative partnerships.

Experience: Actively involved in university initiatives, I have firsthand experience of the challenges faced by students with disabilities. Through workshops, seminars, and collaboration with university administration, I aim to foster a more inclusive campus environment.

Closing Statement: As a candidate for Director of People with Disabilities, I pledge to be a steadfast advocate for inclusivity and accessibility. Let us join forces to create a campus where everyone feels valued and empowered to thrive. Thank you for considering me for this vital position.
